Advance Your Career with In-demand Skills

33 credit Master's of Science in International Education Leadership Concentration

Cohort begins October 16, 2019
Completely online for working professionals
Core Courses available for CTLE

Program Benefits:

- Gain a unique background & training to better serve an increasingly culturally diverse world
- Engage in a variety of educational policies & systems to apply a global teaching model
- Position yourself to better serve students, families, and communities creatively, intentionally, effectively, & compassionately
- Enhance your career and background as a specialist in diversity & culture in educational policy and administration

Admission Requirements:

- Application (apply online)
- Official college transcripts from all colleges attended
- Two current letters of recommendation (one from an academic source, if available; otherwise two from student teaching, teaching, or work experience source)
- Written essay (300-500 words in length) describing personal philosophy of education, statement of intent, and rationale for pursuing the degree
- Current Résumé
- Applicants educated in a university or college where English is not the medium of instruction or where English is not the native language: official score results for the TOEFL or IELTS must be submitted.
