Welcome Back – September 2023

The Edith Winthrop Teacher Center would like to welcome you back to the 2023-2024 school year. We hope you had the opportunity to relax, recharge, and enjoy the summer break.

The teacher center was busy this summer offering many free professional development opportunities to our consortium members. Over 200 teachers engaged in courses around SEL, DEI, dyslexia, and more!

As we begin another school year, please know that we are here to support your professional development needs and will continue to offer you a wide variety of professional learning opportunities throughout the year including courses around the NYS initiatives of DEI and the CR-S Education Framework. Please visit our website at ewteachercenter.com to view our course offerings and be sure to [subscribe to our Newsletter](#) to receive the latest information.

We wish you all an amazing school year!

GRADUATE COURSES

WTCI is now offering Online graduate Courses in partnership with Manhattanville College.

[Work Hard/Think Hard: Developing A Master Teacher Mindset](#)

In this online course, participants will develop their own use of the principles of effective teaching and develop a master teacher mindset through the examination of the best-selling text *Never Work Harder Than Your Students* by Robyn R Jackson.

[Discussions and Questioning to Build Deep Thinking](#)

In this online course, participants will explore how to facilitate classroom discussions through engaging conversations, the role of teachers as coaches during this process, and how best to provide a supportive classroom environment when integrating higher-order questioning techniques.
