Connecting Tarrytown Teachers to Their Local Green Gem

Discover the hidden gem in your backyard! Join the **Children's Environmental Literacy Foundation (CELf)** and local K-12 educators at **Peabody Preserve Outdoor Classroom**. Nestled in the heart of Sleepy Hollow, this 39-acre nature haven offers opportunities for sustainability education and outdoor learning. Explore diverse ecosystems, from its vernal pools to erratic rock.

Join us as we celebrate all educators during **Teacher Appreciation Week** and learn how you can integrate this invaluable local resource into your classrooms and inspire a deeper connection with nature among your students.
