Remote Learning World

January 20, 2021
4:00 PM to 5:15 PM

Dr. Thomas Hoerr

Who you are is more important than what you know, is Tom Hoerr's mantra. We know that social emotional learning is the key to success in life, but how do we address it virtually?

In this webinar Dr. Thomas Hoerr will talk about Social Emotional Learning and share ideas and strategies to develop it through a screen.

Thomas R. Hoerr's last two books are *The Formative Five: Fostering Grit, Empathy, and Other Success Skills Every Student Needs* and *Taking Social Emotional Learning Schoolwide*. He retired after leading the New City School in St. Louis, Missouri for 34 years and is now the Emeritus Head of School. He teaches at the University of Missouri-St. Louis and holds a PhD from Washington University in St. Louis.
