

FREE Special Education Certification Extension Courses

The NYSTC Statewide Leadership Team is pleased to announce, at no-cost, four Special Education Extension Courses available to ALL NYS Teachers! Please note that to ensure an effective participant-instructor ratio in each course, many sessions have limited enrollment. Registration is on a first-come first served basis. We expect these courses to fill quickly, so please register ASAP. **Fall Courses begin on October 19th.**

These 45 hour courses include 3 instructional areas of learning: Knowledge of Students, Instructional Strategies and Professional Practice. Each topic has 15 hours of learning specific to each area and fulfills NYS requirements as put forth by New York State.
